The Executive Engineer, T.B.P. Canals Division, Hospet wants a portion of land measuring Ac.4-50 in S.No.1 of Konchigeri village in Siruguppa Taluk to be transferred to P.W.Department for the construction of a Magazine to store explosives in connection with the excavation of low level canal. The portion required by him has been subdivided and demarcated as S.No.358-Ac.4-50. In the village accounts S.No.1 is classified as unassessed waste. I recommend that a portic of land measuring Ac.4-50 of S.No.1 of Konchigeri village may be tran ferred from unassessed waste to P.W.D. as it is considered unobjectionable.
